STIPULATION AND ORDER  
LEVYING A FINE

**STIPULATION BY AGENT**

Gregory F. Stenzel, ("licensee") hereby stipulates to the payment of a fine in the total amount of \$250 based on the following facts which are hereby acknowledged. Licensee further stipulates and agrees that he will comply with Washington insurance laws and regulations in the future.

1. The Commissioner sent licensee written inquiries on February 25, April 25 and May 9, 2002. All three of these letters required licensee's written response by a specific date. Licensee did not respond to any of these letters by the date specified. The lack of a timely written response violated RCW 48.17.475.

2. Licensee made phone contact, July 16, 2002, with Washington Insurance Commissioner's Chief Investigator, Mike Huske. As a result of this contact, an agreement was reached for payment of the fine in lieu of any further action being taken.

The licensee has engaged in practices that are not in accord with the standards set out in the insurance code of Washington. Accordingly, the licensee enters this Stipulation to the following Order voluntarily and with the understanding that such fine is in lieu of any suspension or revocation of the licensee's license for such conduct. The facts described above, and the fact of this stipulation, may be considered by the Commissioner in any future administrative actions regarding licensee.
